EXPERIENCE

UNITED STATES ARMY
Operations Officer, 434th Field Artillery Brigade (Basic Training) Fort Sill, OK
2023-2024

- Directed the strategic planning and execution of four training cycles, mobilizing 50+ contractors and 120+ military personnel to convert 1,000+ civilians into mission-ready soldiers, boosting US Army operational readiness by 40%
- Designed and launched a strategic human capital initiative to bridge critical gaps in formal Army training, equipping 1,000+ soldiers with tools for financial literacy, relationship management, and career advancement
- Instituted a data-driven decision framework for resource allocation, utilizing performance analytics to refine training plans; achieved a 50% increase in performance metrics and $100k+ in recurring annual cost savings

Battalion Fire Support Officer, 2nd Armored Brigade Combat Team Fort Bliss, TX
2021-2023

- Led a high-visibility inter-agency initiative in support of the resettlement of 10,000+ Afghan refugees, guiding soldiers through cultural sensitivities and conflict resolution to build trust and ensure mission success; rated top 10% of officers in Battalion
- Cultivated cross-functional partnerships across a 1,200+ soldier organization to receive priority of key assets including helicopters, jets, and artillery; implemented external assets resulting in processing 50% more missions than peer units
- Engineered a quantitative inventory management framework for $10M+ of assets, introducing data-driven tranches that cut inventory time by 80%, prevented major losses through improved tracking, and optimized equipment allocation across units

Fire Direction Officer, 2nd Armored Brigade Combat Team Port of Shuaiba, Kuwait
2021

- Optimized ship loading/unloading efficiency at Port of Shuaiba by redesigning workflows; reduced processing time from 12 to 8 hours through a new SOP that segmented and streamlined processes, enabling rapid response to the 2021 Suez Canal crisis
- Directed redeployment of 250 soldiers and $6M+ of equipment from Kuwait to El Paso, TX; overhauled legacy redeployment procedures amid complex and changing COVID restrictions; safely reduced quarantine time from 14 to 7 days
- Designed cultural understanding training ahead of joint exercises with regional allies as part of Operation Spartan Shield, enabling sustained integration of key female soldiers while respecting host-nation cultural customs and norms

Platoon Leader, 2nd Armored Brigade Combat Team Camp Buehring, Kuwait
2020-2021

- Transformed the Brigade's maintenance support plan by replacing a fully manual, reactionary process with forecasting models, streamlining operations across a 1,500-member coalition, reducing parts lag time from 10 to 5 days, and reducing waste by 25%
- Led and trained 22 soldiers providing ammunition and logistical support to Field Artillery operations supporting 2,000+ NATO and Kuwaiti troops across the Arabian Desert, ensuring sustained combat readiness and mission success in austere conditions
- Coordinated and executed 500+ Field Artillery missions delivering 9,000+ rounds in support of coalition forces from Kuwait, UAE, Qatar, and Jordan, synchronizing fires to enhance coalition effectiveness and achieve mission objectives
